EAST HANTS DIRECTORY OF HIGHWAY WORKS

June 2008

This provides an overview of the works planned for the month named above (including the remainder of this month). Please note that other works may be scheduled at short notice for a variety of reasons. Additionally, our Minor Works are not included because they are frequently planned at short notice and have little affect on highway users.

Contacts

To ensure a prompt response to your enquiries, contact: roads@hants.gov.uk this is viewed at least twice a day and will be directed to the most appropriate officer.
